WATERPROOF WALL TILES

**TILING
MADE EASY**

dumawall+[®]

WATERPROOF WALL TILES

Nothing could be more enjoyable than relaxing and unwinding at home on the sofa, especially, when the home interior is perfectly in keeping with your style and tastes. Dumawall+ tiles with carefree fitting and maintenance bring an elegant finish to all interior walls.

DIY TILE

Tiling has usually involved a fair degree of difficulty and frustration because cement adhesives and grinders can be tricky to work with. As we are not all handy – the whole house can soon become a giant mess. Dumawall+ tiles will turn tiling into child’s play. The tiles are easily nailed, stapled or pasted onto the walls. If necessary, they can be cut to size with a normal saw and quickly installed.
